Total value of transaction during the reporting period: 9794.94

Notes:
 1. The details in this format are required to be provided for all transactions undertaken during the reporting period. However, opening and closing balances, including commitments, need not be disclosed for existing related party transactions even if there is no new related party transaction during the reporting period.
 2. Where a transaction is entered between members of the consolidated entity (between the listed entity and its subsidiary or between subsidiaries), it may be reported once.
 3. Loans to and from related parties should be disclosed with respect to related party transactions involving loans, inter corporate deposits, advances or investments made or given by the listed banks.
 4. For companies which have been awarded MCA 21, the information need to be provided for six months ended September 30 and as reported in MCA 21.
 Companies with financial years ending in other months, the six months period shall apply accordingly.
 5. Each type of related party transaction (e.g., sale of goods or services, professional charges or investment) should be disclosed separately and should be clubbing or netting of transactions of same type.
 However, transactions with the same counterparty of the same type may be aggregated for the reporting period and purchase transactions may be disclosed in a similar manner. These should also be netted off for sale and purchase transactions. Similarly, loans advanced to and received from the same counterparty should be disclosed separately, without any netting off.
 6. In case of any other related party transaction.
 7. The aggregate value of all related party transactions approved by the audit committee shall be disclosed in the column "Value of the related party transaction as approved by the audit committee".
 8. The value of the related party transaction verified by the audit committee shall be disclosed in the column "Value of the related party transaction verified by the audit committee".
 9. The details of the related party transaction undertaken during the reporting period shall be reported in the column "Value of transaction during the reporting period".
 10. "Cost" refers to the cost of loan/investment for the lender/investor, and "Tenure" refers to the period for which the loan/investment is made. For the same purpose, applicable "Interest rate" shall also be reported.
